SUMMARY

I am an ambitious student of AI at JKU. I have spent 2 years at a university in Slovakia, where I studied Mechatronics and Automotive Engineering. Due to the opportunity to study AI in Austria, I decided to discontinue my studies in Slovakia. Currently, I am working on my programming and ML knowledge. I am seeking to get an opportunity to learn at your company.

WORK EXPERIENCE

Sia S.p.A. (July. 2019- September 2019)
